

March 10, 2020

Dear Members,

Because the safety of our Members, employees and local community is our top priority, we wanted to take this opportunity to share our approach to the Coronavirus-19 situation with you.

The Hartford Club is fully operational at this time, and all scheduled events, programs and activities are proceeding as planned.

We are taking extra precautions to ensure our facilities are as sanitary as possible. We have increased our cleaning and disinfection program for all frequently touched surfaces, restrooms, entrances/exits, handrails and other areas club-wide, with a special emphasis in our food and beverage areas, and other high traffic areas.

Additionally, our Operations team is closely monitoring announcements from the CDC. If any additional directives are given by federal, state or local authorities, we will take the appropriate measures to continue protecting your health.

Along with CDC, we encourage all Members and employees to practice good hygiene and be vigilant and prepared. Perhaps most importantly, we ask that you please stay home if you are sick, limit your contact with others and seek medical treatment if your symptoms persist or become more serious.

If you have any questions regarding our club operations during the Coronavirus watch, please contact Tom Natola at (860)-522-1271 ext. 119, or email me at [Tnatola@hartfordclub.com](mailto:Tnatola@hartfordclub.com)

Thank You.

Sincerely,

Tom Natola  
General Manager  
The Hartford Club
